Elevate Your Lead Generation to a Whole New Level

The Guaranteed SEO Campaign utilizes an "advertorial" style approach, crafting compelling copy that not only informs and educates potential customers but also improves click-through rates to clients' websites. This positive user engagement is a key factor in Google's ranking algorithm, leading to improved search engine positioning.

“

We are confident in our ability to deliver results, and we stand behind our service with a money-back guarantee. If we don't get you on page one, you don't pay.”

Traditional SEO methods can be slow and unpredictable, often taking months to yield noticeable results. Mohr Marketing's guaranteed SEO campaign offers a faster, more reliable solution for businesses seeking to increase their online visibility and attract more customers.

"We understand that businesses need fast, reliable results when it comes to SEO," said Susan Mohr, CEO of Mohr Marketing. "Our Guaranteed SEO Campaign is designed to deliver exactly

that – rapid, sustainable page one rankings that drive tangible business growth. We're so confident in our approach that we guarantee page one rankings, or clients don't pay."

A cornerstone of the campaign is the creation of new, ranking content on a monthly basis. Mohr Marketing works

with clients to identify target keywords and then develops content that consistently ranks for those phrases, ensuring sustained visibility over time.

Mohr Marketing Team Meeting

Mohr Marketing boasts a network of over 400 national news media partners, including network affiliates and local sites spanning from the Boston Herald to the Sacramento Bee. This extensive network allows for the wide distribution of client content, amplifying its reach and impact.

Beyond written content, the Guaranteed SEO Campaign also incorporates syndicated videos, podcasts, SlideShare decks, and infographics to further enhance online presence and engagement. This multi-faceted approach ensures that clients are reaching their target audience through a variety of channels.

The key components of Mohr Marketing's guaranteed SEO campaign include:

- Strategic Research: In-depth analysis to identify the most relevant keywords and target locations for maximum impact.
- Content Creation & Syndication: Development of high-quality, engaging content distributed across a network of over 400 national news media partners, including network affiliates and local sites from the Boston Herald to the Sacramento Bee.
- Multimedia Integration: Campaigns are transformed into syndicated videos, podcasts, SlideShare presentations, and infographics to further amplify reach and engagement.
- Monthly Content Updates: Consistent creation of new, ranking content to maintain and improve search engine positions over time.
- Performance Reporting: Detailed ranking reports to track progress and demonstrate the effectiveness of the campaign.

Mohr Marketing's approach focuses on creating content that informs and educates potential customers, attracting them at the precise moment they are actively searching for relevant products or services. This "done-for-you, ranked-on-autopilot" system simplifies the SEO process for business owners, allowing them to focus on running their businesses while Mohr Marketing handles the complexities of search engine optimization.

The company's process is streamlined into three simple steps: research, writing & syndication, and ranking report & repeat. This ensures a consistent and effective approach to achieving and

maintaining top search engine rankings.

"Our guaranteed page one ranking promise sets us apart from other SEO providers," added Ms. Mohr. "We are confident in our ability to deliver results, and we stand behind our service with a money-back guarantee. If we don't get you on page one, you don't pay."
