

The Naptime by Ammi Lahtinen Wins Iron A' Design Award in Textile Industry

Finnish Textile Designer Ammi Lahtinen Receives International Recognition for Innovative Baby Blanket Design

COMO, CO, ITALY, August 25, 2025 /EINPresswire.com/ -- The A' Design Award, a highly respected international design competition, has announced [Ammi Lahtinen](#) as a winner in the [Textile](#), Fabric, Textures, Patterns and Cloth Design category for her innovative work, "The Naptime." This prestigious recognition highlights the significance of Lahtinen's design within the textile industry, positioning it as a noteworthy achievement in the field.

The Naptime blanket's contemporary design and versatile functionality align with current trends in the textile industry, addressing the need for

products that combine aesthetic appeal with practical utility. By offering a blanket that serves multiple purposes and stands the test of time, Lahtinen's design provides tangible benefits to both consumers and industry stakeholders.

Lahtinen's award-winning design stands out for its unique blend of modern aesthetics and traditional inspiration. The Naptime blanket features a timeless pattern depicting Finnish forest animals in a state of cozy slumber, carefully composed to be viewed from any direction. Crafted from 100% cotton using jacquard weaving techniques, the blanket offers enduring comfort and charm suitable for various stages of childhood.

This recognition from the A' Design Award serves as a catalyst for Lahtinen to continue pushing the boundaries of textile design. By showcasing the potential for innovation within the industry, The Naptime blanket inspires future projects that prioritize both form and function, ultimately

elevating the standard for baby textiles.
