When it came time to select this year's recipient, Johnny Cuts Barbershop stood out as a

reputable company in the barbershop industry. Known for its skilled and friendly team, Johnny Cuts Barbershop has earned a strong reputation within the Oshawa community, with glowing reviews from many satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by Johnny Cuts Barbershop's communication and exceptional service:

"I had a very pleasant experience at Johnny Cuts. I'd never been to a barber before as I'm a basic dude who gets a basic cut every few months. Safe to say I will be back to see Pattie! Johnny the owner was also very nice and made you feel at home. Complimentary coffee or espresso is offered upon arrival. Appointments are made online and I didn't wait at all for my scheduled time. The place has got a great vibe with very friendly and (seemingly) skilled employees. Will be back from now on! Edit: just got my hair cut by Johnny and its the best cut I've ever had hands down. Really great guy and awesome atmosphere!"

Award Winning Barbershop

"Brought my disabled son in for a hair cut, our first time there, and couldn't be more happy with Mike N! My son's needs were met and accommodated. Mike was so patient and talked to my son about what he was doing and trying not to, to help my son relax and process what was going on around him. We will definitely be back."

"Always feel like a million bucks after my Haircuts. Great atmosphere and staff. Been going here for years now and drive from just outside Peterborough just to get my hair cut here. When you find a place you really like you stick with it."

"Nice shop. Loved the atmosphere. All staff were very kind. I overheard a few conversations between staff and customers and it seemed like they were all very involved with each other, which is nice. There seems to be actual relationships there which I like. I don't usually like the immediate outcome of most hair cuts, but Mitch did a great job. I loved it right away and got

several compliments, which I usually never get. They all just seem like good people and that's really the best thing you can ask for in a business. I will be going back and recommending to others as well. Been back many times, have had several barbers, including Patty and Johnny. Everyone does a great job and everyone is very friendly."

The Johnny Cuts Barbershop team consistently goes above and beyond to ensure outstanding hair cuts for every client.
