

# Conserv Unveils FR 430 SC Convertible Upright Freezer-Refrigerator for Flexible Storage

HOUSTON, TX, UNITED STATES, August 25, 2025 /EINPresswire.com/ -- Conserv today announced the launch of the [FR 430 SC](#) Convertible Upright Freezer-Refrigerator, a compact 4.3 cu. ft. unit designed to give households greater control over their food storage. With its convertible functionality, users can seamlessly switch between freezer and refrigerator modes, making it a practical choice for families, professionals, and anyone managing changing storage needs.

The FR 430 SC combines sleek design with durable construction, featuring a fingerprint-resistant stainless steel finish that resists smudges while adding modern appeal. Built for reliability, it is garage-ready and maintains consistent performance in temperatures ranging from 0°F to 110°F.

Practical features are built into every detail of the FR 430 SC. Inside, users benefit from two adjustable shelves and a pull-out drawer for easy organization of both frozen and fresh goods. A manual defrost system with built-in drain makes upkeep straightforward, while a reversible door, flush back design, and adjustable legs ensure a custom fit in kitchens, garages, or offices. Operating at only 41 dB, the unit also offers whisper-quiet performance for placement in living spaces.

“The FR 430 SC was designed for households that value adaptability and reliability,” said Nick Matthews, Marketing Executive at Conserv Appliances. “By combining convertible technology
