ABOUT THE BOOK

War has finally ignited. The Remnant Nation is done waiting. Their mission: destroy the Godhead and everything she stands for. But as Sadina and the islanders fight to protect the Goddess—who claims to be their only hope for Evolution's survival—the battle reveals unfathomable truths leaving behind devastation that will change the islanders' future forever.

Determined to save their friends, Isaac and Ximena—along with Old Man Frypan and Jackie—struggle to find their way back to the others when two strangers intercept them, throwing everything they thought they knew about the Cure into doubt. Following the strangers into the unknown, Frypan unearths the shocking truth behind the Cure and the secrets so many have died to protect. But what they uncover is only the beginning.

The descendants must decide between risking their lives and the safety of those they love back home to expose the painful truth behind the maze trials, or walk away from history's darkest secrets and let the truth remain buried in the Glade forever.

Fans of The Maze Runner series won't want to miss this thrilling, emotionally charged finale that answers long-held questions and redefines what it means to survive, evolve, and fight for the future.
