

From Finland to the Frontier: Kristina Ahlnäs Shares Her Inspiring Alaskan Memoir at MIBF 2025

"Kristina's Cache: A Memoir of Adventure and Survival in Alaska" to Be Showcased at the Manila International Book Fair

LOS ANGELES, CA, UNITED STATES, August 26, 2025 /EINPresswire.com/ -- Author and oceanographer Kristina Ahlnäs brings readers a gripping tale of grit, faith, and reinvention in her award-winning memoir "[Kristina's Cache: A Memoir of Adventure and Survival in Alaska](#)," which will be featured at the Manila International Book Fair 2025, happening from September 10–14 at the SMX Convention Center Manila.

Kristina's Cache: A Memoir of Adventure and Survival in Alaska

In this charming and quirky memoir, Ahlnäs recounts her remarkable journey from post-war Finland to the rugged wilderness of Alaska, where she built her own cabin, endured harsh winters, and navigated a career in oceanography—all while defying social norms. Readers are transported into a world where UFO sightings, hand-hewn log shelters, and faith-based resilience meet scientific ambition and frontier spirit.

The memoir captures key milestones: her ASLA-Fulbright scholarship to the U.S., her studies at Scripps Institution of Oceanography, and her experiences as a woman breaking barriers in male-dominated science fields. But at its heart, "Kristina's Cache" is a love letter to survival, prayerful perseverance, and making dreams a reality against all odds.

With a storytelling voice described by reviewers as "a beacon for those who may follow their own dreams" (Hollywood Book Reviews) and "a vivid experience of a life well-lived" (US Review of Books), Ahlnäs's work resonates with adventurers and armchair travelers alike.

"Kristina's Cache: A Memoir of Adventure and Survival in Alaska" is now available on Amazon, Barnes & Noble, and other leading online bookstores.
