Diane Brooks' Compelling Novel It's Crystal Clear and All About the Dad Joins Manila International Book Fair 2025

LOS ANGELES, CA, UNITED STATES, August 26, 2025 /EINPresswire.com/ -- In a poignant and riveting read, Diane Brooks delivers "[It's Crystal Clear and All About the Dad](#)," a novel that asks one of life's deepest questions: "How far would one go to save the one they love?"

Andrea "Andi" Chambers has always believed in the strength of family. But when her young daughter is diagnosed with a rare cancer, the quest for a life-saving donor leads Andi down a path of hidden truths, long-buried secrets, and a devastating discovery: the man she called "Dad" may not have been who he claimed to be. As medical records, photographs, and distant memories resurface, Andi must uncover the truth not only to save her child—but to rediscover who she is.

Blending emotional intensity with a suspenseful narrative, Brooks paints a powerful portrait of motherhood, betrayal, and the resilience of love. Readers will be gripped by Andi's emotional journey, uplifted by her courage, and reminded that sometimes, family is more than blood—it's truth, trust, and the choices we make.

Diane Brooks, a gifted new voice in contemporary fiction, captures the tenderness and tenacity of a woman at the crossroads of heartbreak and hope. Her storytelling is layered, lyrical, and packed with heart.
