

New Book Examines Psychological Roots of Republican Party Dysfunction

Dr. Daniel B. Brubaker's Groundbreaking Analysis to be Featured at Manila International Book Fair 2025

LOS ANGELES, CA, UNITED STATES,
August 26, 2025 /EINPresswire.com/ --

In his provocative new book,

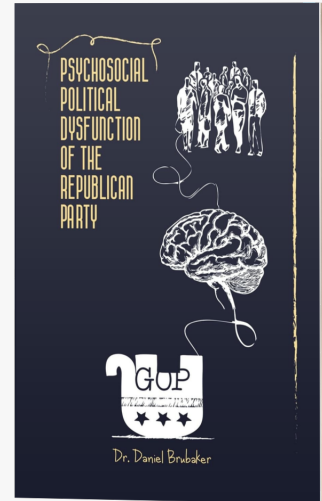

[Psychosocial Political Dysfunction of the Republican Party](#), Dr. Daniel B.

Brubaker provides a critical

examination of the internal crisis
within America's Republican Party.

Moving beyond traditional political
analysis, Dr. Brubaker employs insights
from neuropsychology, developmental
psychology, and crowd psychology to
illuminate why the GOP appears
increasingly detached from its

foundational principles and grounded in conspiracy theories and misinformation.

Psychosocial Political Dysfunction of the Republican Party

Dr. Brubaker, himself a lifelong registered Republican and founder of Republicans for Progress, identifies a disturbing trend of regression and fearmongering within the party. Drawing parallels between the behavioral patterns of toddlers and certain contemporary Republican leaders, he suggests that antisocial personality traits have emerged prominently among influential party figures. The misuse of buzzwords such as "socialism," Brubaker argues, serves as a strategy to manipulate voter fears rather than to inform public discourse.

With extensive credentials in academic medicine from prestigious institutions—including the University of Pittsburgh, Oklahoma University, UCLA, and UCSF—Brubaker brings scientific rigor to his political critique. His analysis offers readers a fresh, interdisciplinary perspective on how far-right nationalist agendas have reshaped the Republican Party, and how its trajectory has been influenced by charismatic yet divisive leadership.

Psychosocial Political Dysfunction of the Republican Party will be showcased at the Manila

International Book Fair 2025, taking place September 10–14 at the SMX Convention Center Manila. Visitors will have the opportunity to explore Dr. Brubaker's compelling arguments and insights in person.

The book is available now on Amazon, Barnes & Noble, and major digital bookstores worldwide, appealing to readers seeking a deeper understanding of America's evolving political landscape.

[Olympus Story House](#) is an emerging digital marketing firm based in California that focuses on offering high-quality work at a reasonable price. Our talented staff collaborates with clients to establish a stronger brand and help them get the recognition they deserve. We have the ultimate goal of providing our authors with services that would fit a wide range of marketing budgets, offer reliable feedback and proper guidance in their projects, and present quality service. With our team of passionate marketing and publishing experts, we strive to bring our client's projects to their best potential.
