

Win Copies of 'Gods of Rock N Roll' on Vinyl and The Morrison Project Deluxe Edition via TLG | ZOID

LOS ANGELES, CA, UNITED STATES, August 27, 2025 /EINPresswire.com/ -- TLG | ZOID formed in 2024 with the mission of being the home of real rock and metal. Where the music counts more than the business. Where the artists are allowed to create and release music the way they want it. The label did just that when it signed Billy Morrison.

The Morrison Project perfectly captures the essence of the label. The record's 12 songs cross multiple subgenres and that's what the label loves about it. The album delivered the smash hit "Crack Cocaine" that reached #1 on the Mediabase Active Rock Chart and #2 on the Billboard Mainstream Rock Chart. The collaboration of Billy, Ozzy Osbourne and Steve Stevens delivered a old school hard rock song that was an instant classic. The label also released 500 limited-edition double A side vinyl of "Gods of Rock N Roll" (a Top Ten Mediabase and Billboard hit) that saw Billy, Ozzy and Steve do it again but this time in an epic ballad that features a 57 piece orchestra and a beautiful score by Fred Coury.

To celebrate this amazing start to the label and as way to say thank you to all those that have supported TLG | ZOID so far, we are giving one supporter the chance to win copies of the Limited Edition 12" gold double-A side vinyl featuring both "Gods of Rock N Roll" and the "Gods of Rock N Roll Stripped Mix" and The Morrison Project Deluxe Edition .
