[Urgent Care](#), giving businesses the ability to provide premium healthcare services to employees at the office or at home.

Amanecia Health was founded by Dr. Lauren Leavitt and Dr. Ann Czarnik.

“Employers are seeking innovative ways to care for their teams while reducing downtime and improving satisfaction,” said Dr. Ann Czarnik, Co-Founder of Amanecia Health. “By delivering healthcare directly to the workplace or home, we eliminate friction and prioritize outcomes.”

“Our mission is to make high-quality, personalized healthcare both convenient and accessible,” said Dr. Lauren Leavitt, Co-Founder of Amanecia Health. “Whether you’re running a business or hosting travelers, our physician-led team brings care directly to your doorstep.”

In addition to enterprise business offerings, Amanecia Health is expanding into the hospitality sector, partnering with hotels and resorts to provide Concierge Medicine services to guests.

From urgent care visits to wellness treatments and services, travelers can now access physician-led care seamlessly while on the go.

Enterprise Health Services include:

- Telemedicine Plans – 24/7 secure video consultations for illness, injury, and prescriptions
- In-Home Urgent Care – On-demand care for flu, infections, minor injuries, and more
- Hotel Concierge Medicine – Private medical care and treatments
- Add-On Services – Rapid testing and injectable therapies available

Businesses and hospitality groups in Austin, Houston, Dallas, and Coastal Virginia can schedule a consultation by visiting www.amaneciahealth.com or contacting info@amaneciahealth.com.
