SUN CITY, AZ, UNITED STATES, August 27, 2025 /EINPresswire.com/ -- [Sun City Flowers](#) today announced [Florist Blooms for 55+ Lifestyle](#), a year-round campaign designed specifically for active adults and their families in Sun City and neighboring communities. The initiative introduces senior-friendly services, thoughtful product lines, and community partnerships that make it easier—and more meaningful—to give and receive flowers for celebrations, everyday joy, and moments of remembrance.

"Sun City was built for people who are living life fully," said [Anthem Pleasant](#) owner of Sun City Flowers. "This campaign is our promise to meet the needs of 55+ residents with flowers—and service—that fit their lifestyle: simple ordering, reliable delivery, accessible design, and caring options for health-conscious settings."

Designed for the 55+ community

Florist Blooms for 55+ Lifestyle brings together new and enhanced offerings that reflect the way local residents live, celebrate, and care for one another:

Residents and clubs can nominate recipients and co-sponsor distribution days.

“Flowers change the atmosphere—at home, in clubhouses, and in care settings,” said Pleasant. “The Bouquet Bank ensures that warmth reaches neighbors who need it most.”

How to participate

Residents can enroll in reminder programs, set up subscriptions, or request club/HOA consultations by phone or online. Care coordinators and community managers may schedule on-site décor walk-throughs and seasonal planning sessions.
