

OSNER'S FC Shines in Historic Weekend: First Team Triumphs 5–2 at Red Hook, Division 1 Team Cruises 5–1 Victory at Atlas

BROOKLYN, NY, UNITED STATES, August 28, 2025 /EINPresswire.com/ -- OSNER'S FC celebrated a defining weekend in its young history as both its UPSL Premier Team and Division 1 Team earned statement victories on the road, showcasing not only talent and determination but also the heart and unity that is fast becoming the identity of the club.

In what could only be described as a thrilling football showcase, OSNER'S FC's Premier squad stormed into Brooklyn to face Red Hook FC, a side that finished 4th in the Northeast Conference last season, and came away with a resounding 5–2 victory. The next day, the Division 1 squad mirrored that success with a dominant 5–1 win over Atlas FC NYC, proving that resilience, passion, and teamwork run through every level of the Osner's FC family.

A Rollercoaster Start Turns Into Premier Glory

The Premier clash against Red Hook was nothing short of electrifying. Within the opening two minutes, Osner's FC found themselves stunned after conceding an early goal. But instead of crumbling, the squad responded with grit, tactical discipline, and a fighting spirit that sent a clear message: Osner's FC is here to compete at the highest level.

The comeback began in the 17th minute, when Jeffrey L. Pierre-Joseph, making his mark in his very first season with the club, scored his maiden goal in an Osner's FC shirt. His composure and finishing sparked renewed energy across the team and set the tone for the rest of the match.

After a tense battle in the midfield, the breakthrough came again in the second half. Our striker,

already dubbed the “Hat-Trick Man” by fans—leveled up with his first goal of the match just 5 minutes after the restart. His instinctive finishing and relentless pressure on the Red Hook defense proved too much to handle.

In the 68th minute, Pierre-Joseph struck again, extending the lead with his second goal of the night, sending the traveling Osner's supporters into a frenzy. Though Red Hook pulled one back late in the match to narrow the scoreline to 3–2, Osner's firepower wasn't finished.

Showing no signs of nerves, the Hat-Trick Man rose to the occasion with two rapid-fire goals—one at the 84th minute and another just four minutes later at the 88th minute, completing a sensational hat-trick and sealing a statement 5–2 victory.

“Conceding that early goal tested our resolve, but the way the team responded showed the character and unity we’ve been building,” said President and General Manager J Ronald Nazaire. “This wasn’t just a win; it was proof that Osner's FC belongs among the top competitors in the UPSL Premier.”

Division 1 Joins the Party with 5–1 Masterclass

Not to be outdone, Osner's FC's Division 1 squad also delivered fireworks on the road against Atlas FC NYC. Inspired by the Premier team's resilience, the D1 side matched their energy and determination from the first whistle.

The breakthrough came in the 26th minute, when Rogel Campbell opened his Osner's account with a thunderous finish. Just ten minutes later, Campbell doubled the lead, netting his second goal in the 36th minute to put Osner's firmly in control.

Atlas managed to pull one back before halftime, but Osner's responded like champions. In the

57th minute, Coly Andre restored the two-goal cushion with a well-placed strike that silenced the home crowd.

Then came a moment of joy for Wisdom Ntona, who bagged his first goal for the club in the 67th minute, further extending the lead and underlining Osner's attacking depth. The icing on the cake came in stoppage time when Juan Camilo Rosado opened his account in the 90th minute, capping off a stunning 5–1 victory and ensuring Osner's FC left the weekend with not one but two commanding wins.

“These victories weren’t about individual brilliance alone,” emphasized Head Coach Walkin Joseph. “They were about teamwork, trust, and a belief in our system. Every player stepped up, and it showed in the way we fought back, combined, and executed.”
