

Fischer Identity Awarded Identity Management Source Contract for IUC-PG Member Institutions

NAPLES, FL, UNITED STATES,
September 3, 2025 /EINPresswire.com/
-- [Fischer Identity](#) is pleased to announce that it has been selected as an [approved provider of identity management solutions](#) for the [Inter-University Council of Ohio Purchasing Group \(IUC-PG\)](#). The IUC-PG is a

cooperative consortium comprised of the purchasing officers from Ohio's 14 state universities. In total, the IUC-PG serves 86 members, including:

- 14 state universities

We look forward to helping member institutions enhance security, simplify access management, and drive measurable operational improvements."

Bryan Leber, Vice President of Product & Service Delivery

- 14 community colleges
- 8 technical colleges
- 50 private educational institutions

As an approved provider, all IUC-PG members can select Fischer Identity's robust, configuration-driven IAM platform—purpose-built to meet the complex identity governance needs of higher education and beyond.

Bryan Leber, Vice President of Product & Service Delivery, Fischer Identity, remarked:

"The IUC-PG represents a diverse and demanding set of institutions. Being selected as an approved source is a tremendous honor and recognition of our proven ability to deliver secure, efficient, and scalable IAM solutions tailored to higher education's unique challenges. We look forward to helping member institutions enhance security, simplify access management, and drive measurable operational improvements."

Chuck Donnelly, Vice President of Field Operations, Fischer Identity, added:

"This contract solidifies our opportunity to work closely with some of the most respected educational institutions in Ohio. Our team's experience in higher education IAM will ensure

member schools get the most from their identity governance investment—both in immediate results and long-term value.”
