

Ship A Car, Inc. Strengthens Nationwide Auto Transport Services with Focus on Transparency and Reliability

The nationwide car shipping broker emphasizes trust, real-time communication, and cost-effective vehicle transport across the United States.

CORAL SPRINGS, FL, UNITED STATES, August 27, 2025 /EINPresswire.com/ -- Ship A Car, Inc., a leading nationwide auto transport brokerage, announced its continued growth and customer-first approach as demand for reliable vehicle shipping services rises across the United States. With over a decade of industry experience, the company is reinforcing its position as one of the most trusted names in auto transport.

Key Facts About Ship A Car, Inc.

- Founded: 2012
- Services: Car's, truck's, motorcycle's, ATV's, golf cart's, RV's, and heavy equipment transport
- Coverage: All 50 states, including Alaska and Hawaii
- Accreditations: A+ rating from the Better Business Bureau (BBB); registered with the Federal Motor Carrier Safety Administration (FMCSA)
- Track Record: More than 50,000 successful vehicle shipments completed

Why This Matters

As car buyers increasingly turn to online dealerships, auctions, and cross-country relocations, dependable auto transport has become essential. Customers often face challenges such as hidden fees, delayed deliveries, or poor communication when working with less experienced brokers. Ship A Car, Inc. addresses these concerns by offering:

- Transparent pricing with no hidden costs

Our mission is to make auto transport stress-free through transparency, reliability, and customer-first service.”

Rada Koifman

- Dedicated shipping coordinators assigned to each order
- Nationwide carrier network of licensed and insured drivers
- Flexible shipping options including open and enclosed transport

Expert Commentary

“Auto transport should be stress-free,” said Rada Koifman, President at Ship A Car, Inc. “Our mission is to provide clarity, security, and reliability in every shipment. We’ve built our reputation on transparency and customer satisfaction.”

Industry Context

The U.S. auto transport industry is valued at over \$10 billion annually, with increasing demand fueled by:

- Online vehicle purchases
- Seasonal “snowbird” relocations
- Military moves
- College students traveling cross-country
- Job relocation and corporate transfers

Ship A Car, Inc. continues to adapt to these evolving needs by offering flexible transport solutions and strengthening its customer support infrastructure.

Looking Ahead

As the company moves into its second decade of service, Ship A Car, Inc. plans to expand its technology integrations, improve shipment tracking features, and further streamline the customer booking process.
