GREENVILLE, NC, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- North Carolina Gets Next-Level Security: TDSS Expands Advanced Surveillance & Monitoring for Homes and Businesses

**THREAT DETECTION  
& SAFETY SERVICES**

Threat Detection Safety Services (TDSS) – Experts in Security Camera Installation, 24/7 Monitoring, and Advanced Threat Protection.

“

At TDSS, we protect North Carolina businesses, property, marinas, people and homes with professional camera installation and 24/7 in-house monitoring from our local command center, never out sourced!”

*Gary Pastor*

Threat Detection & Safety Services (TDSS), a leader in integrated security solutions, is taking protection to the next level with advanced surveillance camera installations, smart remote access systems, and professional in-house monitoring—delivering a rapid, proactive approach across North Carolina.

Led by military veteran and former law enforcement officer Gary Pastor, founder of NC Protection Group (Est. 1999), TDSS combines 36+ years of experience with hands-on, personalized services. Operating from a privately owned North Carolina command center, the company provides security camera installation, 24/7 monitoring, and proactive surveillance designed to safeguard people, property, and communities with unmatched

professionalism and integrity.

As security threats evolve, TDSS responds with technology-driven solutions for homes, businesses, and communities. Clients benefit from high-resolution video systems, smart alerts, and continuous monitoring—all handled in-house, never outsourced.

Advanced Features Include:

High-Definition & 4K Recording

Night Vision & Low-Light Performance

PTZ (Pan-Tilt-Zoom) Coverage

Smart Alerts & Motion Detection

Secure Remote Access via Mobile & Desktop

Flexible Cloud or Local Storage

24/7 Monitoring from Our North Carolina Command Center

Trusted Integrity, Professionalism, and Rapid Response

“Security is never one-size-fits-all,” said Gary Pastor, President & Founder. “With our in-house monitoring facility and command center right here in North Carolina, our trained professionals handle clients’ safety directly—never outsourced.”

Industries Served: Residential communities, retail, healthcare, schools, construction sites, warehouses, government facilities, houses of worship, manufacturing plants, airports, marinas, and more. Clients can choose self-monitoring through secure mobile apps or professional in-house monitoring for round-the-clock protection.
