"Our students performed very well again this year, and we're proud of their continued efforts toward mastery," said Gwynne Pekron, Ph.D., Industrial/Organizational Psychologist and Headmaster of Merit Academy.

Merit Academy's CMAS scores for "Percentage met/exceeded Proficiency" in English and Math:

“

Our students performed very well again this year, and we're proud of their continued efforts toward mastery.”

*Gwynne Pekron, Ph.D.,  
Headmaster, Merit Academy*

English = 62.8% average across all grades, compared to the State's 44.8%.

Math = 46.5% average across all grades, compared to the State's 35.9%

“The results highlight our students' effort and ability, as well as the tremendous work and dedication of our instructional and support staff to enhance learning opportunities for Merit Academy students to master

material. I want to commend the teachers, students, and parents,” Pekron said.

“CMAS data measures achievement from 3rd through 8th grades. The performance framework ratings measure achievement, growth, and post-secondary readiness from 3rd-12th grades and will be released in mid-September,” said Gwynne Pekron.

Looking to the future, "Our work is not over for Merit Academy as our expectations remain even higher than these current test scores," Pekron said.
