Joe Sky-Tucker, Business Impact NW’s President and CEO, states, “Over the past 10 years, we have awarded more than \$300,000 to small businesses making a difference in their communities. IMPACT Pitch is more than a competition; it is a celebration of entrepreneurship, and we invite the community to join us in marking this important milestone.”

IMPACT Pitch marks the culmination of months of competitive rounds. During the event, ten finalists will pitch live in front of a public audience and a panel of judges. The evening will feature networking opportunities, alumni success stories, and the highly anticipated announcement of the 2025 prize winners.

“My favorite experience of IMPACT Pitch was connecting with other small business owners and hearing their stories. It was incredibly inspiring,” shared Jens Hansen, owner of UVA Furem Winery and winner of the Best Established Business Award in 2022.
