

Lovell Government Services and CHS USA Partner to Expand Federal Healthcare Access

Partnership enables streamlined access to CHS USA medical products through federal contracting vehicles for the VA and Military Health System

PENSACOLA, FL, UNITED STATES, August 28, 2025 /EINPresswire.com/ -- Lovell® Government

“

This partnership enhances our commitment to finding the best possible products available and making them accessible to our veterans”

Chris Lovell, CEO of Lovell Government Services

Services and CHS USA Inc, a leading medical device manufacturer and distributor serving healthcare across North America., announced today that they have partnered to serve federal healthcare systems such as the Veterans Health Administration (VHA), the Military Health System (MHS), and the Indian Health Service (IHS). Lovell Government Services will serve as [CHS USA] Service-Disabled Veteran-Owned Small Business (SDVOSB) vendor to serve these customers through federal contracting systems.

CHS USA offers a broad range of healthcare solutions, including hospital kits and trays, IV tubing and extension sets, patient plastics, and NICU care products. Trusted brands include MED-RX kits and JollyPop pacifiers. CHS products help healthcare teams deliver safe, effective care for patients.

As a Service-Disabled Veteran-Owned Small Business (SDVOSB), Lovell is excited to introduce CHS USA to federal healthcare providers. The product is now available through the Department of Veterans Affairs’ Federal Supply Schedule (FSS), GSA Advantage, the Defense Logistics Agency’s Electronic Catalog (ECAT), and the Department of Defense’s Distribution and Pricing Agreement (DAPA). By listing products on these contract vehicles, Lovell simplifies the acquisition process and supports government agencies in achieving their SDVOSB procurement goals.

“We’re excited to partner with CHS USA products to serve veterans across the country. This partnership enhances our commitment to finding the best possible products available and making them accessible to our veterans.”, said Chris Lovell, Major, USMC (Ret.), CEO of Lovell Government Services.

“At CHS USA, we are committed to supporting the clinicians and care teams who serve the nation’s Veterans, active-duty service members, and their families,” said Mike Canzoneri

President & CEO, CHS USA Inc. "Partnering with Lovell Government Services allows us to expand access to our dependable medical products and ensure those who have served receive the quality care they deserve."
