

Excellence in Remodeling Earns DCI – Dlouhy Construction, Inc. Back-to-Back Best of Florida Honors

SPRING HILL , FL, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- DCI – Dlouhy Construction, Inc., a second-generation, family-owned remodeling specialist founded in 1973, has been named a 2025 Best of Florida Honorable Mention Award recipient. This marks the second consecutive year of recognition, following their 2024 Regional Award win for Kitchen and Bath Remodeling.

Known for transforming kitchens, bathrooms, and outdoor living spaces with unmatched craftsmanship, DCI's work is built on solid wood cabinetry—never particle board—paired with premium materials and meticulous execution. Their expertise includes custom trim carpentry, interior and exterior painting, luxury vinyl plank, laminate, and tile flooring.

"This isn't just about building—it's about creating spaces people are proud to live in," said CEO Matthew Dlouhy. "Winning the Regional Award last year and an Honorable Mention this year proves our team's consistency in delivering results that last."

The back-to-back awards underscore DCI's reputation for precision, transparency, and client care. For homeowners who demand lasting quality and a seamless remodeling process, DCI – Dlouhy Construction, Inc. remains the trusted choice in Florida.

"We build spaces you're proud to live in—spaces that last," said Dlouhy. "These awards are proof our quality is not a one-time thing. It's who we are."
