Dr. Joe Aoun

Throughout his career, Dr. Aoun has demonstrated exceptional dedication to his patients' well-being. His approach combines compassion, surgical expertise, and a strong emphasis on patient education. By engaging directly with patients, he ensures they understand their conditions, treatment options, and preventive care—empowering them to make informed decisions about their health.

"Receiving the Healthcare Impact Award is an immense honor, and I am truly grateful for this recognition," said Dr. Aoun. "My goal has always been to provide my patients with the highest quality of care while prioritizing education. By fostering a collaborative environment and equipping patients with knowledge, we can make a lasting impact on their lives and the health of our community as a whole."

Dr. Aoun's dedication extends beyond the clinic. He has actively participated in community outreach programs, educational seminars, and public workshops to raise awareness about foot and ankle health. His contributions have supported not only his patients but also the broader Michigan community, helping people of all ages better understand preventive care and treatment options.
