

Dr. Eugenie Brunner Celebrates 20 Year Milestone With Top Doctor Honor

Princeton facial plastic surgeon receives dual Castle Connolly honors for 2025, marking two decades of recognition for surgical excellence and innovation.

PRINCETON, NJ, UNITED STATES, August 28, 2025 /EINPresswire.com/ -- Dr. Eugenie Brunner has been named a Castle Connolly Top Doctor for 2025 and one of their 2025 Exceptional Women in Medicine, continuing her long track record of excellence in facial plastic surgery. For 20 years, Dr. Brunner has been recognized for her impact in the field, where she stands out as a renowned [facial plastic surgeon](#) in Princeton.

“

Receiving this honor for 20 years is truly validating. It affirms our dedication to improving patient care and providing incredible results each and every day.”

Dr. Eugenie Brunner

Castle Connolly Medical Ltd. is a respected organization that identifies top doctors in America through a detailed selection process. Their Exceptional Women in Medicine designation recognizes female Castle Connolly Top Doctors who have demonstrated outstanding leadership, expertise, and dedication in their respective fields.

This recognition speaks to Dr. Brunner’s dedication and achievements. To learn more about the rigorous selection process and the organization's role in celebrating medical

excellence, those interested can visit their website. To be honored, doctors are reviewed based on peer nominations, professional records, and an advisory board assessment. This highlights her ongoing commitment to delivering top-notch dermatological care.

Dr. Brunner is recognized for bringing an artist’s eye to facial plastic surgery, [laser resurfacing](#), and other cosmetic treatments using cutting-edge techniques and technology. By prioritizing

individual patient needs, she has consistently delivered transformative outcomes in both cosmetic dermatology and facial plastic surgery. Her long-standing recognition as a top doctor represents the trust and respect she has earned within the medical community and among her patients.

"We are honored that Dr. Brunner has been named a Castle Connolly Top Doctor once again," said a spokesperson from her practice. "This recognition shows not only her skill and artistry but also her dedication to patient care and innovation."

Over her career, Dr. Brunner has been active in many areas of facial plastic surgery, impacting both practical applications and academic growth. Her work in developing new surgical methods has set high standards for [patient results](#). Her surgical contributions are well-regarded, shaping practices and inspiring peers in the field.

In a statement, Dr. Brunner expressed her gratitude for the lasting recognition, saying, "Receiving this honor for 20 years is truly validating. It affirms our dedication to improving patient care and providing incredible results each and every day. I'm thankful to my colleagues and my team, who help make these achievements possible."

The Castle Connolly credentials underline Dr. Brunner's status as a leader in facial plastic surgery. They stress the importance of maintaining high standards and staying up-to-date with the latest medical advancements to provide treatments customized to meet each patient's unique needs. Her recognition as a 2025 Exceptional Woman in Medicine also speaks to her commitment to research and academic contributions, volunteer work within healthcare, and training at top institutions.

Moving forward, Dr. Brunner remains focused on advancing cosmetic dermatology and facial plastic surgery through innovation and unsurpassed patient care. Her 20-year history as a top doctor shows her enduring excellence and impact in the field, reaffirming why both patients and

colleagues value her contributions so highly.

Being honored by Castle Connolly is not just a milestone but also a source of motivation for Dr. Brunner and her team to continue improving their practice. It supports ongoing investments in technology and skill development to remain at the forefront of surgical innovation.

Dr. Eugenie Brunner's designation as a Castle Connolly Top Doctor and Exceptional Woman in Medicine for 2025 marks an important achievement in her notable career. Her work highlights the importance of continual excellence and the vital role of facial plastic surgeons in the cosmetic industry, showing her unwavering commitment to outstanding patient care and advancements in surgery over the last 2 decades.
