

Warwickshire Welcomes Fast-Track Urology Clinic as Mr Haider Syed Brings Expert Care Close to Home

Solihull clinic offers same-week urology care, including treatment for kidney stones and urinary infections, swiftly and expertly handled by Mr Haider Syed.

WARWICK, WARWICKSHIRE, UNITED KINGDOM, August 29, 2025

/EINPresswire.com/ -- In a welcome development for local patients, Consultant Urologist Mr Haider Syed has launched a new state-of-the-art urology clinic, offering timely and expert care for those suffering from kidney stones, prostate issues, urinary infections, and a range of other urological conditions.

Strategically located just 20 to 30 minutes away in Solihull, the clinic allows Warwickshire residents to bypass NHS waiting times of six months or more. Many patients will now be seen within a week - a significant improvement providing faster diagnoses, earlier treatment, and much-needed peace of mind. Meeting a Critical Healthcare Need

Urological conditions such as kidney stones, haematuria (blood in the urine), and prostate enlargement (BPH) can cause considerable discomfort and distress. Treatment delays can worsen symptoms and affect a patient's quality of life. Mr Haider Syed's new clinic is tackling those delays head-on, offering swift, specialist-led services in a calm and professional environment.
