

# WB Development Partners & New Era Companies Announce 8th Inpatient Rehabilitation Hospital

*Nobis Rehabilitation Partners Will Manage the Rehabilitation Hospital*

INDIANAPOLIS, IN, UNITED STATES, September 9, 2025 /EINPresswire.com/

-- [WB Development](#) Partners and [New Era](#) Companies, two innovative companies partnering together in the healthcare development sector, are

developing a new 48-bed inpatient rehabilitation hospital in South Indianapolis. The medical rehabilitation hospital will have modern private patient rooms, advanced technologies, and best-in-class rehabilitation services. The rehabilitation hospital is the second location in the Indianapolis market area, with [Nobis Rehabilitation Partners](#) as the Manager of both hospitals.

“

Our team is excited to develop our second rehabilitation hospital in Indianapolis”

*Daryn Eudaly, CEO and Co-Founder of New Era Companies*

People with disabling illnesses and injuries such as stroke, brain injury, and other complex neurological and orthopedic diseases and injuries will be cared for by a comprehensive team of physicians and therapists who will customize each patient’s intensive medical and physical rehabilitation program with an interdisciplinary rehab team approach during their inpatient stay.

“Our team is excited to develop our second rehabilitation

hospital in Indianapolis,” said Daryn Eudaly, CEO and Co-Founder of New Era Companies. “Our state-of-the-art inpatient rehab hospital will care for patients in the southern part of Indianapolis. The hospital team, managed by Nobis Rehabilitation Partners, will collaborate with the area health systems and physician community to develop the best inpatient rehabilitation programs needed.”
