

Lider Electric Showcases Innovative Electrical Solutions at Expo Nacional Ferretera 2025

NEWPORT BEACH, CA, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- Lider Electric, a leading innovator in wiring devices and lighting solutions, is thrilled to announce its participation in Expo Nacional Ferretera 2025, Mexico's foremost trade show for the hardware and electrical industries. The exhibition will be held from September 4–6, 2025, at the Expo Guadalajara convention center. Attendees are cordially invited to visit Booth #2308 to engage with the Lider Electric team and explore a new generation of products that blend advanced technology, sophisticated design, and exceptional durability.

Driven by its core values of innovation, creation, and inspiration, Lider Electric transforms everyday wiring and lighting solutions into sophisticated, reliable systems that emphasize user safety, optimal performance, and contemporary style. By focusing on these elements, Lider Electric not only meets but exceeds the expectations of modern consumers and professionals who seek products that are as functional as they are visually appealing. This approach has positioned the company as a trusted partner in electrical projects across residential, commercial, and industrial sectors, where reliability and aesthetics go hand in hand.

During the expo, Lider Electric will unveil its comprehensive UL-certified US-standard product
