

# Homewatch CareGivers of Northern Kentucky Serves Clients in Booming \$107 Billion US Home Care Market

FLORENCE, KY, UNITED STATES, September 1, 2025 /EINPresswire.com/ -- [Homewatch CareGivers](#) is honored to be a part of the growing home care industry, which is projected to reach \$107 billion in the coming years. With a commitment to providing compassionate and personalized care, the team has been dedicated to supporting individuals in Boone, Kenton, and surrounding counties.

The need for in-home care services has been steadily increasing as families seek reliable assistance for their loved ones. Homewatch CareGivers has been meeting this demand by offering a range of services, including 24-hour care, [dementia support](#), personal care, and transportation assistance. Each care plan has been tailored to the unique needs of the client, ensuring comfort and peace of mind for both the individual and their family.

[The caregivers on our team](#) are carefully selected and undergo thorough background checks and training. This ensures that clients receive the highest quality of care from professionals who are not only skilled but also compassionate. The team has been praised for their reliability and attentiveness, with many clients expressing gratitude for the positive impact on their daily lives.

In addition to the core services, Homewatch CareGivers has been actively involved in the event called "I have wings". Initiatives such as the "Wake Up Walton" project, which involves cleaning up yards for local seniors, and the "Friendsgiving for Frank" event, aimed at supporting disabled individuals during the holiday season, have been part of the company's efforts to give back and
