

RAS AL KHAIMAH, UNITED ARAB EMIRATES, August 31, 2025 /EINPresswire.com/ -- The Ras Al Khaimah Teachers' Network (RAKTN) is proud to announce the successful completion of its 2025 Annual Conference, held at the prestigious RAK Convention Center. The event, titled "Shifting Teacher Mindsets: Embracing AI in Education," was a landmark occasion that brought together over 500 educators, policymakers, and technology experts from across the United Arab Emirates and the Gulf region. The conference focused on the transformative power of Artificial Intelligence (AI) in the classroom, exploring how teachers can leverage AI tools to enhance their instruction, personalize learning experiences, and prepare students for the challenges of the 21st century. The event featured a series of panel discussions, keynote speeches, and hands-on workshops, all designed to provide participants with practical insights and strategies for integrating AI into their teaching practices. The RAKTN expressed its gratitude to the sponsors, partners, and attendees who made this event a resounding success. The organization is committed to continuing its efforts to support teachers in their professional development and to fostering a culture of innovation and collaboration in the education sector.
