Dr. Jamie Pajoel Speaking at Workplace Leadership Conference in Canada

“

You can care for people without leading them but you can't lead them without caring for them.

”

Dr. Jamie Pajoel

Dr. Jamie Pajoel is a global leadership consultant, speaker and trainer, known for converting leadership theory into on-the-job behaviors. He teaches practical routines that help leaders deliver results and translates complex leadership theory into a compact set of high-leverage habits for Monday-morning use—simple, transferable, and practical.

Dr Jamie Pajoel has over 25 years of leadership and management consulting experience, in designing, implementing, and addressing the growing leadership

competency skill gap among professionals (a critical challenge impacting Canadian workforce efficiency and economic development). Hence, his approach offers innovative methods to leadership and includes an in-depth knowledge on leading organizations and change.

[Dr. Pajoel's career](#) highlights include 1,000+ speeches delivered globally and training more than

100,000 professionals on topics such as; Building a High Performing Team, Supervising Others, Managing Generation Gaps at Work, Delivering Constructive Criticism, Conflict Resolution in the Workplace, Servant Leadership, Communication Strategies, Leading with Emotional Intelligence, Coaching and Mentoring Skills for Managers, Mastering Executive Presence, Ethical Leadership, Leading Organization and Change, Developing New Managers, Business Negotiation Skills, Leadership Succession Planning, Confidence Building, Taking Leadership Initiative, Personal Branding, Goal Setting and Getting Things Done, Mastering Strategic Networking Skills, Teamwork and Team Building, Workplace Etiquette and Professionalism etc.

Dr. Jamie Pajoel is founder, Workplace Leadership Institute, Canada- A leadership organization aimed at equipping C-suite Executives, Mid-level Managers, and emerging leaders, with the relevant leadership skills needed to navigate workplace challenges, enhance performance, develop leadership competencies, and drive organizational growth.

Dr. Jamie's global influence extends beyond borders, as he has been instrumental in bridging workplace leadership gap in Canada and across the globe. His work has been recognized with the State of Michigan Leadership Award and an African Union honor (2014). In 2018, he was invited to President Bill Clinton's program, in acknowledgment of his contribution to leadership and enterprise development. He also holds an honorary doctorate from Myles Leadership University.

He is the host, Workplace Leadership Conference, Canada- A global event platform for high-level knowledge-sharing, networking and global recognition for corporate executives and workplace professionals from diverse industries. He is also the author of Executing with Excellence, Better

Dr. Jamie Pajoel has over 25 years of leadership and management consulting experience.
