

# N-iX named a Major Contender in Everest Group's 2025 Cloud Services PEAK Matrix®

*The Everest Group PEAK Matrix® serves as a trusted benchmark, helping enterprises make informed decisions when selecting service providers.*

FL, UNITED STATES, September 1, 2025 /EINPresswire.com/ -- [N-iX](#), a global software solutions and engineering services company, has been recognized by Everest Group in its 'Cloud Services for Mid-market Enterprises PEAK Matrix® Assessment 2025'.

As enterprises increasingly embrace cloud to modernize their IT landscapes, enhance agility, and accelerate digital transformation, they seek partners who can combine technical expertise with a deep understanding of industry needs. For mid-market organizations, agility, speed, and efficiency remain top priorities, driving demand for service approaches that accelerate outcomes and deepen engagement.

The Everest Group PEAK Matrix® serves as a trusted benchmark, helping enterprises make informed decisions when selecting service providers. The 2025 edition of the Cloud Services for Mid-market Enterprises PEAK Matrix® Assessment 2025 provides insights into the 24 featured cloud providers based on their capabilities and offering.

Among the 24 providers evaluated, N-iX was named as a Major Contender.
