

Cybersecurity Leaders Unite at the Beach: ISSA-LA Summit & Women in Security Forum Return in 2025

Where Cybersecurity Leadership Meets Community Impact. Join top CISOs, security professionals, and changemakers!

SANTA MONICA, CA, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- The Information Systems Security Association Los Angeles Chapter (ISSA-LA) is proud to announce the return of its flagship event, the ISSA-LA Cybersecurity [Summit](#), alongside the highly anticipated 2025 [Women in Security Forum](#) — a powerful one-two punch of innovation, leadership, and community.

Held at the iconic Annenberg Beach House in Santa Monica on September 18, 2025, this year's summit promises a full day of cutting-edge insights, peer networking, and bold conversations that will shape the future of cybersecurity.

□ Why You Should Be There

- Elite Panels & Keynotes featuring CISOs, regulators, law enforcement, and industry pioneers
- The Women in Security Forum: A dedicated space for women in cybersecurity, IT, academia, and executive leadership to connect, mentor, and inspire
- Beachside Networking: Build relationships with top minds in security — all with the Pacific Ocean as your backdrop
- Real-World Impact: From AI threats to compliance challenges, this summit tackles the issues that matter most

□ Distinguished speakers include:

- Chris Roberts, Artificial Intelligence & Deepfake Cyber Strategist at World Wide Technology
- Diana Kelley, Chief Security Officer at Protect AI
- Jim Reavis, Co-founder & Chief Executive Officer, Cloud Security Alliance
- David Spark, Founder & Executive Producer of the CISO Series
- Richard Greenberg, CISO Security Advisors LLC

Enjoying the incredible Summit

Attending the ISSA-LA Women in Security event last year was a turning point for me. The insights and encouragement I gained inspired me to start writing a book"

Pratoomthip "Bee" Tungngern,
Enterprise Security Architect &
Author

- Jack Bicer, CTO at Septium Corporation
- Richard Rushing, Chief Information Security Officer, Motorola Mobility
- Bill Brenner, CyberRisk Alliance, SVP, Audience Content Strategy
- Sascha Schleumer, CISO, LA County Public Health
- Jacob Combs, Medical Device Security Consultant at Darroch Medical Solutions
- Bob Zukis, Founder and CEO at Digital Directors Network

And more!

Women in Security Forum: A special collaborative event on

Sept 18 dedicated to women in cybersecurity, IT, academia, and executive management. Our mission is to provide networking opportunities, panel discussions, and peer mentoring. Let's empower and elevate women in InfoSec! Notable speakers include:
