-- Prime 1 Studio is pleased to announce that Ryza, the protagonist of "Atelier Ryza 3: Alchemist of the End & the Secret Key," is joining the Ultimate Premium Masterline in 1/4 scale.

The statue depicts Ryza in a pose with one hand resting on her knee, reflecting her approachable demeanor from the game. The base is modeled after the Atelier, a central location in her adventures, presented as a vignette.

The sculpt and paintwork follow the character design illustrated by Toridamono. The detailing includes her staff, flasks, and test tubes, along with the design of her adventurer's outfit.

Interchangeable parts are provided to recreate different display options: a head with a closed-mouth expression, alternative arms holding a flask or a key, and a diorama piece featuring a window with a view of the Kark Isles. A head stand is also included.
