

Aventis Accelerates Asian Growth in China's Innovation Hub via Singapore-Guangzhou Knowledge City

SINGAPORE, SINGAPORE, September 2, 2025 /EINPresswire.com/ -- [Aventis](#) is delighted to announce its strategic expansion into China, anchored at the Singapore-Guangzhou Knowledge City (SGKC), a landmark initiative promoting robust collaboration between Singapore and China. This milestone advances Aventis' mission to drive innovation, leadership, and international cooperation throughout Asia.

Aventis Forges New Collaborative Era at Singapore-Guangzhou Knowledge City

This expansion is closely aligned with Singapore's deepening connections to the Greater Bay Area (GBA)—an influential economic and innovation centre underpinning China's long-term growth strategy. The SGKC stands as a symbol of this strong bilateral relationship, opening doors for enterprises and institutions to accelerate research, knowledge exchange, and cross-border partnerships.

“

Our presence in Singapore-Guangzhou Knowledge City underscores Aventis' commitment to building bridges between Singapore and China, empowering organisations to thrive in a global economy”

Aventis' China expansion will focus on three key pillars:

- Advancing [AI](#) Research & Innovation: Supporting businesses in digital transformation and adoption of advanced technologies.
- Driving Executive Training & Leadership Development: Equipping professionals with critical skills, future-ready mindsets, and valuable networks.
- Strengthening International Collaboration: Partnering

with leading organisations in China to create sustainable impact for industries and

communities.

“Our presence in Singapore-Guangzhou Knowledge City underscores Aventis’ commitment to building bridges between Singapore and China. By integrating world-class expertise with regional collaboration, we empower leaders, organisations, and societies to thrive in an increasingly complex global economy,” said Samuel Teo, General Manager at Aventis.

This initiative marks a significant step in Aventis’ global strategy—contributing to the dynamic growth of the Greater Bay Area while expanding the organisation’s international presence.
