

Calmerri Partners with The Fund Racing Alliance to Expand Access to Mental Health Support

Calmerri joins TFRA to empower nonprofits with secure mental health support, enabling mission-driven teams to promote well-being and mental health advocacy.

BRANCHVILLE, NJ, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- [Calmerri](#), a leading online mental health platform, today announced a new partnership with The Fund Racing Alliance (TFRA), a 501(c)(3) nonprofit dedicated to enhancing physical, mental, and community stability through movement. Through this collaboration, TFRA will be able to provide 6 hours of personalized, professional therapy for its community members. This collaboration reflects Calmerri's commitment to supporting nonprofits with [online therapy for non-profit organizations](#), empowering mission-driven groups like TFRA to advocate for mental health.

"At Calmerri, we support a comprehensive approach to well-being that includes mind, body, and soul," said Albina Galiza, Chief Commercial Officer at Calmerri.

"We are extremely pleased to partner with organizations like The Fund Racing Alliance, who align with our vision and dedicate their time and effort to helping people become better versions of themselves."

Ali Trovillion, Executive Director and Founder of The Fund Racing Alliance, added, "At The Fund Racing Alliance, we're grateful to give our community access to therapy and support for mental wellbeing. We believe in the power of movement and its positive impact on mental health, and we're committed to building a future of strength, stability, and connection—where care comes without barriers, without stigma, and when it's needed most."

Founded in 2020 to counter the isolation and anxiety brought about by the COVID-19 crisis, The Fund Racing Alliance continues to build stronger communities and stronger selves through inclusive movement-based initiatives.

The partnership underscores Calmerri's commitment to providing nonprofits and advocacy organizations with secure, flexible, and tailored mental health support for mission-driven

teams.
