SAN CLEMENTE, CA, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- National investment loss and securities attorneys [KlaymanToskes](#) is investigating Newbridge Securities after they solicited an 81-year-old retiree to invest \$150,000 in [GWG L Bonds](#), causing significant losses. The law firm urges all customers of Newbridge Securities who suffered investment losses in GWG L Bonds, or any other investments, to contact the firm immediately at 888-997-9956.

KlaymanToskes reports the firm has filed FINRA arbitration case no. 25-01680 against Newbridge Securities on behalf of an investor who is seeking to recover damages of \$150,000, in connection with being recommended to invest in a high-risk and illiquid GWG L Bond investment.

According to the lawsuit, Newbridge represented the L Bond as a safe investment, similar to a CD, whereby the customer would receive monthly interest and then at maturity, return the principal. In reality, the L Bonds were high-risk and illiquid private placements. Newbridge allegedly ignored years of red flags clearly evidencing GWGH's financial distress at the time of the unsuitable recommendation.
