

Eagle Solar Supply Announces Labor Day Sale on Solar Panels and LED Lighting Nationwide

Special Labor Day offers across the USA on solar panels, hybrid inverters, lithium batteries, and energy-efficient LED indoor/outdoor lights.

DOVER, DE, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- Eagle Solar Supply, a leading [solar wholesale supplier USA](#), today announced its Labor Day 2025 exclusive sale, which will run from August 28th to September 5th, 2025, providing bulk order discounts on solar panels, wholesale solar accessories, hybrid inverters, lithium solar batteries USA, and wholesale LED lighting USA. This national promotion will make clean energy affordable and accessible to homeowners, contractors, and businesses through affordable solar panels in 2025 and energy-efficient lighting.

A promotional graphic for Eagle Solar Supply's Labor Day sale. The background is a solid green color. At the top center is the Eagle Solar Supply logo, which features a stylized eagle head in a circle next to the text "EAGLE SOLAR SUPPLY". Below the logo, the text "Power Up Your Labor Day:" is written in white. Underneath this, a yellow rounded rectangle contains the text "Exclusive Solar & LED Lighting Offers in the USA" in black. In the center of the graphic is a 3D rendering of solar products: two large solar panels standing upright, a blue and white hybrid inverter, a white lithium battery, and two white LED light fixtures. The products are placed on a white circular base with a yellow border. On the left and right sides of the graphic, there are yellow hand icons holding wrenches. At the bottom center, the website "eaglesolarsupply.com" is written in small white text. Below the entire graphic, the text "Exclusive Solar & LED Lighting Offers in the USA" is repeated in black on a white background.
