Jeff Norman, the event founder said, “I never would have believed that The Kennett Brewfest would become such a big tradition in Kennett Square. But after 28 consecutive years it really is true. And that is because of the breweries and patrons that return year after year. I’m amazed by the breweries that constantly tell me how much they look forward to our event. And the loyalty of our patrons is unmatched. It has now spanned a generation!”

“

From first time attendees to long time aficionados, we always get rave reviews about the uniqueness and high quality selection of amazing breweries at Kennett Brewfest!”

Kris Gabbard
