

LoanPASS PPE Integrates with Freddie Mac's Cash Pricing API to Deliver Real-Time Secondary Market Pricing

MIAMI, FL, UNITED STATES, September 2, 2025 /EINPresswire.com/ -- LoanPASS, a leading provider of loan decisioning and pricing technology, has integrated with Freddie Mac's Cash Pricing API, enabling lenders to access their own Freddie Mac pricing directly within the LoanPASS Product & Pricing Engine (PPE).

“

When lenders can see their Freddie Mac pricing in real time, they are able to make decisions quickly and with confidence,”

*Bill Roy, Founder & CEO of
LoanPASS*

With this API integration, LoanPASS delivers live pricing tied directly to each lender's Freddie Mac Seller/Servicer number. Every quote reflects the lender's approved terms and commitments, ensuring precise pricing and the ability to perform best execution with the latest market data.

“When lenders can see their Freddie Mac pricing in real time, they are able to make decisions quickly and with confidence,” said Bill Roy, Founder and CEO of LoanPASS.”

This integration allows our customers to work from precise data and focus on serving their borrowers.”

The Freddie Mac Cash Pricing API integration enhances the secondary market capabilities of the LoanPASS Product & Pricing Engine (PPE). Banks, credit unions, and mortgage companies can now incorporate precise Freddie Mac pricing directly into their workflow, improving efficiency while better managing profitability and risk.
