The ideal audience for *Sleepless* includes readers of urban fiction, romance lovers, and anyone who enjoys a well-crafted story that reflects real-life challenges. It speaks to those who have loved, lost, and found themselves changed by both the joys and struggles of human connection. More broadly, it resonates with readers who understand how the environment we grow up in shapes the way we love, and how resilience, forgiveness, and loyalty can emerge from even the most difficult circumstances. By capturing the grit of urban life alongside the tenderness of romance, *Sleepless* offers something for anyone who values stories that feel both real and

unforgettable.
