

# Craters & Freighters Phoenix Offers Temporary Holding and White Glove Delivery for SEMICON West Exhibitors

*Craters & Freighters Phoenix streamlines SEMICON West with trade show logistics, safe storage, white glove delivery, and custom crating for exhibitor displays.*

PHOENIX, AZ, UNITED STATES, September 4, 2025 /EINPresswire.com/ -- With the arrival of SEMICON West 2025 at the Phoenix Convention Center this October, Craters & Freighters Phoenix announced today that it will provide specialized logistics support for exhibitors, including temporary holding, secure storage, and [white glove delivery](#) of booths, displays, and marketing materials directly to the convention floor.

Craters & Freighters Phoenix offers secure short-term storage for trade show booths, signage, and equipment ahead of SEMICON West.

“

We're proud to offer SEMICON West exhibitors peace of mind by handling the heavy lifting—literally and logistically—so they can focus on making connections and showcasing their innovations.”

*Sumit Walia, Franchisee of  
Craters & Freighters Phoenix*

Known for its expertise in packaging, crating, and shipping oversized, high-value, and sensitive items, Craters & Freighters Phoenix is expanding its services to meet the unique demands of large conventions and trade shows. For SEMICON West exhibitors, this includes:  
Short-Term Storage: Safe, climate-appropriate holding for exhibition booths, tables, signage, and display materials before show setup.

- White Glove Delivery: Direct transport to the Phoenix Convention Center, with careful handling, unpacking, and placement of items.

- Custom Crating & Packaging: Protection for delicate technology, robotics, or presentation equipment requiring [custom crates](#) or protective solutions.

- Return & Re-Ship Services: After the event, items can be repacked and shipped to the next trade show location or back to company headquarters.

“Events like SEMICON West bring together hundreds of companies with valuable, often delicate displays,” said Sumit Walia, Franchisee of Craters & Freighters Phoenix. “We’re proud to offer exhibitors peace of mind by handling the heavy lifting—literally and logistically—so they can focus on making connections and showcasing their innovations.”

SEMICON West, one of the microelectronics industry’s premier events, will draw over 700 exhibitors and thousands of attendees to Phoenix for the first time October 7–9, 2025. With exhibit space sold out months in advance, secure handling and timely delivery of materials are critical for participants preparing for the global stage.
