

Sandos Hotels & Resorts Announces New Name for Playa del Carmen Property: Sandos Caracol Nature Resort & Water Park

PLAYA DEL CARMEN, QUINTANA ROO, MEXICO, September 2, 2025 /EINPresswire.com/ -- [Sandos Hotels & Resorts](#) has announced the transition of its signature 955-room Playa del Carmen eco all-inclusive resort to the new name [Sandos Caracol Nature Resort & Water Park](#), formerly known as Sandos Caracol Eco Resort. Following the multi-staged, multi-million-dollar renovation of several of its dining outlets, common areas, amenities, and room categories, along with the addition of new cenotes, an adults-only beach club, and more, the brand believes this new name change will usher the property into a new era of prosperity.

Sandos Caracol's new name reflects the abundant experience opportunities available for guests on property, the chance to connect with nature and experience the beautiful destination through immersive programming, as well as the rich traditions of the land's Mayan ancestry. The name also brings well-deserved attention to one of the resort's top attractions: the thrilling 29-slide water park, for which all guests are granted complimentary access within the price of their all-inclusive stay. Designed for family fun, it has always been a key element of the Caracol vacation experience and is now being highlighted at the forefront of the resort's identity, alongside its nature-focused principles.
