With a focus on durability, compliance, and long-term performance, the company now offers [full-scope paving solutions](#) including driveway paving, parking lot resurfacing, pothole repair, and crack sealing for clients in Monterey, Carmel, Santa Cruz, and Gilroy.

Coastal Pipeline Inc.

Whether you're a property manager seeking a parking lot paving contractor in Monterey, or a homeowner asking, "Who provides the best driveway paving and resurfacing in Monterey County?", Coastal Pipeline delivers efficient, code-compliant paving services backed by experienced crews and precision grading equipment.

"We've seen a growing demand for cost-effective asphalt repair and resurfacing throughout the region," said Alejandro Aragon, Owner of Coastal Pipeline Inc. "Our goal is to provide infrastructure-grade quality on every project—whether it's a commercial parking lot or a residential driveway paving job in Monterey. We take pride in being a trusted name in local site development and pavement restoration."

Coastal Pipeline's asphalt paving services include:

We've seen a growing demand for cost-effective asphalt repair and resurfacing throughout the region"

*Alejandro Aragon*

- Asphalt paving and resurfacing for roads, driveways, and parking lots
- Pothole repair services and asphalt patching
- Crack filling and surface sealing to fix asphalt driveway cracks and extend pavement life
- Grading and surface preparation to ensure proper drainage and compaction
- ADA-compliant upgrades and striping for commercial and municipal sites

The company's experienced paving team handles everything from minor driveway repairs to large-scale site paving projects. Clients benefit from Coastal Pipeline's integrated approach, which combines utility trenching, grading, and paving into a single, seamless scope of work.

With service areas extending from Santa Cruz to Gilroy and Carmel, Coastal Pipeline is the go-to asphalt paving contractor in Monterey County for general contractors, developers, HOAs, and property owners seeking durable results and streamlined coordination.

About Coastal Pipeline Inc.:

Coastal Pipeline Inc. is a licensed general engineering contractor specializing in underground utilities, excavating, and paving throughout Monterey, Santa Cruz, and San Benito Counties. The company serves residential, commercial, industrial, and municipal clients, with a focus on infrastructure-quality installations, safety compliance, and site development expertise.
