

New National Christian Association of Professional Speakers (NCAPS) to Champion Voices in Ministry and Marketplace

SIOUX FALLS, SD, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- A groundbreaking new professional association is rising in the USA to empower Christian speakers across industries. NCAPS exists to serve Christian speakers, authors, entrepreneurs, and thought leaders who use their voices to influence audiences with clarity, integrity, and excellence and for the glory of God. Event organizers and business leaders now have a trusted hub to discover speakers who not only deliver powerful messages but also embody values that bring transformation to both ministry and marketplace.
