

One Water Systems Celebrates 22 Years of Excellence with 22% Off Whole Home Water Filtration Systems for 22 Customers

Locally owned Southern California company marks 22 years of innovation, offering a limited-time anniversary discount on its eco-friendly, maintenance-free.

SAN DIEGO, CA, UNITED STATES, September 3, 2025 /EINPresswire.com/ -- [One Water Systems](#), a trusted leader in home water filtration and conditioning solutions, proudly announces its 22nd anniversary. In celebration of over two decades of service and innovation, the company is offering 22% off its flagship Elite [Whole Home Water Filtration System](#) to the first 22 new customers.

Founded in Oceanside by Kevin Worsfold, One Water Systems has become Southern California's go-to choice for eco-friendly, maintenance-free water treatment systems. With thousands of satisfied customers and a reputation built on trust, the company continues to help homeowners eliminate harmful contaminants, reduce scale, and enjoy clean, safe water from every tap.

Two Decades of Innovation and Reliability

For 22 years, One Water Systems has delivered [whole home water filtration systems](#) designed to combat Southern California's notoriously hard water and chemical-heavy municipal supplies. Its flagship Elite System features advanced multi-layer filtration, including:

- Micro Alloy Descaler Technology – Effectively reduces scale buildup without salt or magnets.
- KDF and High-Grade Carbon Media – Removes chlorine, chemicals, and heavy metals for safer water.
- Maintenance-Free Design – No filter changes, salt bags, or frequent servicing required.
- 15-Year Warranty and Free Annual Checkups – Ensuring long-term performance and peace of

LimitedTime Anniversary Promotion

The “22 Years, 22% Off for 22 New Customers” promotion is valid through September 30, 2025, or until all 22 discounted systems are claimed. Eligible customers across San Diego, Orange, Riverside, and Los Angeles counties are encouraged to book a free water consultation to secure their spot.

A Commitment to Sustainability

Unlike traditional softeners or cartridge-based filters that generate plastic waste, brine discharge, or require frequent maintenance, One Water Systems offers a low-maintenance, eco-conscious

alternative. Its Elite System is engineered specifically for the unique challenges of Southern California water, helping homeowners save time, money, and resources.

“

Our growth over the past 22 years is built on providing homeowners with honest solutions and exceptional service,”

Kevin Worsfold, founder and CEO of One Water Systems.
