

EGSH Processing +14.7K Transactions in First Year, Powers Dubai's Zero Bureaucracy Vision

EGSH is changing how individuals and companies interact with the public sector in UAE.

DUBAI, UNITED ARAB EMIRATES, September 3, 2025 /EINPresswire.com/ -- [Emirates Government Services Hub](#) (EGSH), Dubai's one-stop destination for essential governmental services, announced the successful completion of its first full year of operations, marking a significant milestone in its mission to redefine the standards of government service delivery in the UAE.

Since its launch on July 11, 2024, EGSH has become a pivotal partner for the business community, processing 14,703 transactions and demonstrating an unwavering commitment to the nation's vision of a seamless, pro-business environment.

In its inaugural year, EGSH has been instrumental in facilitating growth and efficiency for over a thousand individual and corporate clients. The hub has forged strategic partnerships with more than 20 leading real estate agencies, prominent free zones, including IFZA Dubai Free Zone, and a diverse range of consulting firms. This rapid establishment of a robust partner network underscores the market's demand for high-calibre, streamlined service processing. EGSH's operational capacity was underscored by a record-setting performance, completing over 300 Real Estate Trustee Office transactions per day.

Among these, a notable case involved the successful completion of 58 real estate deals for a single client within one business day, including [title deed transfer](#), property sale registration, and Ejari certificate issuance and more. This underscores the company's commitment to eliminating bureaucratic barriers and empowering real estate professionals to close deals swiftly and confidently. With Dubai's real estate market growing by 22.5% in 2025, the streamlined services offered by hubs like EGSB are becoming increasingly vital to sustain and support this sector.

"We are proud to celebrate EGSB's first full year of operations, which reflects our commitment to driving efficiency and excellence in government service delivery," said Omar Al-Quasem, Senior Administrative Manager at EGSB. "Our ability to process thousands of transactions and handle high-volume cases with precision demonstrates the value we bring to both individuals and businesses. As we look ahead, we remain dedicated to continuously enhancing service speed, accessibility, and integration for all our clients."

EGSB's performance directly supports the UAE's ambitious national strategies, including the "Zero Government Bureaucracy" (ZGB) programme. By reducing processing times and simplifying procedures, EGSB embodies the objectives of the ZGB programme, contributing to a world-class business environment and enhancing the global competitiveness of Dubai.
