

Dafydd Williams Releases New Book 'The Titan's Heir' That Brings Greek Mythology into the Modern Age

A 12-year-old discovers she's the daughter of a Titan in this myth-inspired YA adventure of courage, friendship, and destiny.

CARDIFF, WALES, UNITED KINGDOM, September 3, 2025 /EINPresswire.com/ -- The Titan's Heir, a debut young adult fantasy novel by UK author Dafydd Williams, offers a contemporary retelling of Greek mythology that blends timeless legends with modern-day settings. Written for fans of mythology-inspired fiction and coming-of-age adventures, the story follows Gwen Sallow, a twelve-year-old from Virginia, who uncovers her hidden identity as the daughter of a Titan.

At its heart, the book is a story of identity, courage, and belonging. Gwen's ordinary childhood quickly unravels when she learns that Olympus, prophecy, and ancient monsters are more than myths. With her best friend Luna, the rebellious daughter of Zeus, and her companion Peter, she embarks on a journey across mythological landscapes that brings her into direct conflict with the powers of Olympus. As Gwen confronts the truth of her heritage, she must decide whether her bloodline defines her, or whether friendship and resilience can rewrite destiny.

From here, the narrative widens from whispered prophecies to choices made in daylight: friendships tested, limits stretched, and consequences that don't tidy themselves away. It's less about winning a war than learning who you stand beside and who you refuse to become.

A Modern Mythology for YA Readers

Set in familiar places with unfamiliar stakes, The Titan's Heir folds myth into everyday life. It's about resilience, friendship, and tricky choices—mixing close-call adventures with quieter beats

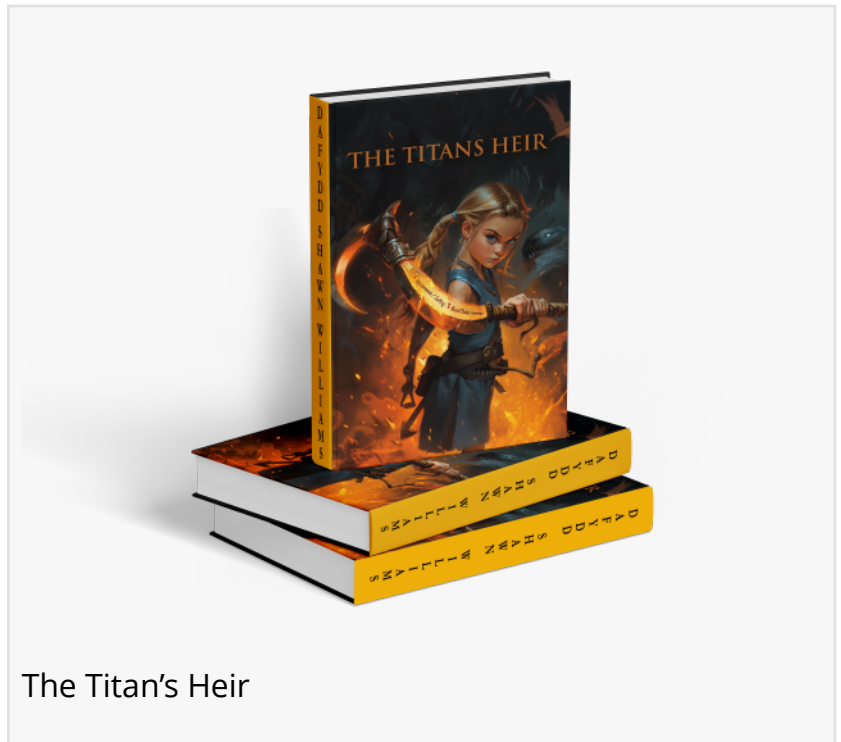

Dafydd Williams Shawn

of doubt, humour, and hope as its characters figure out who they're becoming.

This release marks the beginning of a planned series that will further explore the aftermath of the legendary Titan-God conflict and the rise of new heroes shaped by ancient powers.

About the Author

Dafydd Williams, born in Wales, is a lifelong reader with a particular love of mythology and adventure. Influenced by Rick Riordan's work—especially the Percy Jackson series—he writes contemporary mythic stories that weave ancient lore into everyday life, pairing fantastical stakes with grounded, relatable characters.
