Intellicept to Highlights AI at Oracle AI World 2025

EDISON, NJ, UNITED STATES, September 4, 2025 /EINPresswire.com/ -- Intellicept, a trusted Oracle Partner, will be showcasing its portfolio of AI-driven Oracle Cloud solutions at [Oracle AI World 2025](#), the industry's most influential event for enterprise technology innovation. The conference, taking place from October 13-16, 2025 at the Venetian Convention & Expo Center in Las Vegas, will bring together business leaders, technology experts, and innovators to explore how artificial intelligence is redefining the future of enterprise operations.

Oracle AI World, formerly known as Oracle OpenWorld, has shifted its focus to AI-first strategies across cloud, data, and business applications. Intellicept's participation highlights its commitment to enabling enterprises to harness AI-powered transformation through Oracle ERP, SCM, and HCM solutions.

At the event, Intellicept will present:

AI-Powered Finance & ERP – Streamlining financial operations with predictive forecasting, compliance automation, and real-time analytics.

Intelligent Supply Chains – Leveraging AI and IoT for smarter demand planning, logistics optimization, and risk mitigation.

Generative AI in Enterprise Applications – Driving personalized workflows, faster decision-making, and operational efficiency.

Accelerated Oracle Cloud Migration – AI-enabled integration frameworks ensuring faster adoption with minimal disruption.

Visitors to Intellicept's booth will gain insights into practical AI use cases, live product demonstrations, and expert-led discussions that showcase how AI can deliver real-world value across industries such as finance, retail, manufacturing, and supply chain.

With its strong Oracle partnership, Intellicept continues to play a pivotal role in helping enterprises embrace AI-first digital transformation strategies and stay competitive in a rapidly

changing market.
