A Record-Setting Semester

This fall, The Foundation, in partnership with [2020 Companies](#), awarded more scholarships than in any previous semester since the program's launch. The support reflects a long-standing commitment to advancing education and creating opportunities for growth among employees and their families.

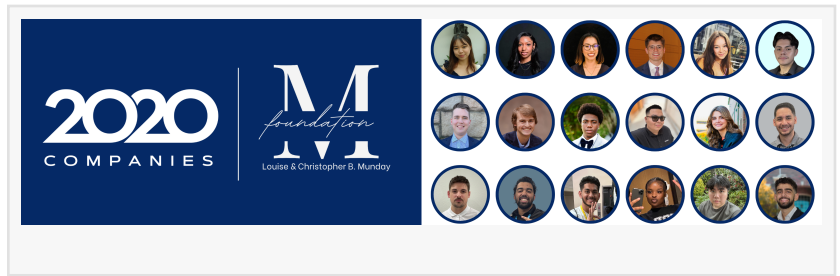

“

Chris and I know what it feels like to face challenges and wonder how you'll make it through.”

Fields of Study and University Representation
Scholarship recipients are pursuing degrees in diverse disciplines, including Mechanical Engineering, Finance, Marketing, Graphic Design, Psychology, and Information

Systems & Analytics. Students are enrolled at institutions across the country, including Baylor University, Central Michigan University, the University of New Mexico, Penn State University, and the University of California, Davis.

Words from the Recipients

Reflecting on the award, scholarship recipient Jesse Nauss stated, "This scholarship reminds me that I'm not on this journey alone. There are people who believe in me and want to see me succeed. I'm so grateful for the support."

Roberto Lucatero, one of this semester's scholarship recipients, expressed his gratitude, sharing, "I am incredibly thankful to be part of a company that invests in its employees and their futures. Your support motivates me to keep striving toward my goals, and I deeply appreciate this opportunity."

Louise Munday, co-founder of The Foundation, reflected on the milestone:

"Chris and I know what it feels like to face challenges and wonder how you'll make it through. That's why it means so much to us to help lighten the load for some of the incredible people at 2020 Companies and their families. Education can change the course of someone's life, and we are humbled to play even a small role in that journey."

Championing Academic and Personal Growth

The Munday Foundation's scholarship program continues to expand access to education and career development, helping bridge opportunity gaps. Each semester, recipients reflect a broad range of experiences and aspirations, underscoring The Foundation's mission to encourage lifelong learning and advancement within the wider community.
