Infused with infectious energy and radiant positivity, “UP” was crafted in collaboration with acclaimed songwriter and producer Sean The Pen, of The Exclusives known for his signature ability to turn raw emotion into unforgettable anthems. Together, the two created a feel-good track that celebrates resilience, joy, and the power of moving forward—no matter the odds.

“UP” fuses elements of R&B, pop, and soul with an infectious rhythm that’s impossible not to move to. Its hook is both empowering and catchy, making it the perfect soundtrack for summer’s final celebrations—and for the months ahead. Early studio listeners have already dubbed it “the anthem we didn’t know we needed.”

Sean The Pen, reflecting on the collaboration, adds: “F'iona came into the studio with such raw emotion and determination. My role was simply to help shape that energy into a sound the world could feel. ‘UP’ is authentic, it’s fresh, and it’s a record that’s going to resonate.”
