

Proficient Plumbing & Heating Shares a Warning about Preparedness for Winter

Helping Brick, NJ, homes and businesses stay warm, safe, and comfortable this fall with expert plumbing and heating services.

BRICK, NJ, UNITED STATES, September 16, 2025 /EINPresswire.com/ -- As temperatures begin to drop and fall approaches, the team at Proficient Plumbing & Heating wants to remind homeowners and business owners in Brick, NJ, and neighboring areas, including Toms River, Point Pleasant,

and Lakewood, about the importance of preparing their heating and plumbing systems for the season. Proper maintenance not only helps prevent costly repairs but also improves energy efficiency and keeps your home or business warm and comfortable all season long.

“

Fall is the perfect time to ensure your home is prepared for the colder months ahead. A little preventive maintenance now can save owners time, money, and stress later on.”

Paul Wylam, CEO and founder of Proficient Plumbing & Heating

Key Fall Prep Strategies Include:

- Heating System Maintenance: Schedule furnace and boiler inspections to ensure reliable operation during cooler months. A well-maintained system saves energy and prevents unexpected breakdowns.

- Plumbing Protection: Inspect and insulate pipes to [prevent freezing](#). Don't forget outdoor faucets, irrigation systems, and hoses.

- Hot Water System Check: Flush water heaters to remove sediment buildup and ensure an adequate hot water supply.

- Indoor Air Quality: Replace HVAC filters, clean vents, and consider professional inspections for optimal indoor comfort.

- Emergency Preparedness: Recognize early signs of plumbing or heating issues and take proactive measures. Proficient Plumbing & Heating offers 24/7 emergency services to provide peace of mind.

Homeowners and business owners in Brick and the surrounding areas are encouraged to schedule their [fall maintenance](#) appointments early. At Proficient Plumbing & Heating, we're here to ensure your heating and plumbing systems are ready for the cooler months ahead.
