

Digital Auxilius Joins SCRS 2025 as a Premier Plus Sponsor Supporting Site Connectivity

ORLANDO, FL, UNITED STATES, September 24, 2025 / EINPresswire.com/ -- [Digital Auxilius \(DAX\)](#), a growth-focused digital partner headquartered in Southfield, MI, announces its presence as the Premium Plus sponsor at [Global Site Solutions Summit™](#) hosted by the Society for Clinical Research Sites (SCRS), taking place 28th September 2025 – 01st October 2025, at Signia by Hilton Orlando Bonnet Creek in Orlando, Florida. As the research community gathers to explore site sustainability, decentralized trial models, and patient engagement, DAX will also participate to help clinical research sites and sponsors accelerate growth and enhance outreach.

“

After years working alongside research teams, I’ve seen how the right digital tools can turn complex trials into a series of simple, manageable steps, and at DAX, that’s exactly what we build.”

said Muhammad Faaiz Hussain, CEO of Digital Auxilius

This year, DAX will showcase how digital tools can do more than support operations; they can actively accelerate site growth, optimize study marketing, and unlock sponsor-funded opportunities.

SCRS 2025’s agenda features engaging symposia and interactive workshops, including “Real-World Insights into Technology-Enabled Trials and Collaborative Patient Care,” where stakeholders and participants will share real-world insights into technology-enabled trials and collaborative patient care. Furthermore, breakout roundtables organized by

therapeutic area will enable peers to exchange best practices on topics from oncology to neurodegenerative disorders, while plenary sessions on benchmarking site performance promise actionable data to inform strategic decision-making.
