Nick & Jamie Hallas - Best Selling Authors

Central to the success of "Phenomenal Business Success" is Nick and Jamie's chapter, "Crafting A Legacy Through Faith." Nick and Jamie share their journey of stepping away from security to follow God's calling, building a business rooted in faith and family. Through challenges, uncertainty, and growth, they learned to trust God's guidance, seek wisdom, and keep showing up despite fear. Their story highlights how staying true to their mission created not just a business, but a lasting legacy that impacts lives.

Meet Nick and Jamie:

Nick and Jamie are the powerhouses behind ICT Electric, a flourishing electrical business in the Northwoods of Wisconsin. Since marrying in 2003, they have fused their passion for hard work, community, and family into a life of purpose and impact. With their six extraordinary children, they have built a legacy grounded in service, faith, and connection.

Nick's career in the electrical trade began in 2001 with his apprenticeship, where he quickly mastered the craft. He earned his journeyman license in 2006 and his master electrician certification in 2008, reflecting his skill and determination. In 2012 Nick and Jamie launched ICT Electric, which grew into a trusted cornerstone of the Northwoods, powering homes, businesses, and community spaces. Their commitment to quality and community has earned them deep trust and respect.

Jamie is the power driving the company's success by building systems that enhance efficiency and growth. A Ziglar Legacy Certified Trainer and Coach, she draws on Zig Ziglar's principles to inspire others to pursue their goals with purpose. Jamie plays a key role in organizing a sports club for homeschooled children, fostering friendships and character development. Through Howard Partridge's Phenomenal Youth and summer conferences, she empowers the next generation to live with intention and faith.

Together, Nick and Jamie balance entrepreneurship and parenthood with a shared mission to build strong families. Whether wiring or coaching, this duo forges lasting connections that enrich their region. From the spark of electrical work to the warmth of faith-driven leadership, their inspirational journey is one of resilience, purpose, and impact.
